our promise

In educational travel, every moment matters. Pushing the experience from "good enough" to exceptional is what we do every day. Our mission is to empower educators to introduce their students to the world beyond the classroom and inspire the next generation of global citizens. *Travel changes lives.*

"Our tour guide was phenomenal; he went above and beyond my expectations. His knowledge of the area and the history behind it was most impressive."

Travel Changes Lives

To learn more, we invite you to read our free ebook, "The Making of a Five-Star Future."
<http://pages.acis.com/ebook>

Can travel make a difference in students' futures? It certainly can and does every single day. In fact, we surveyed 930 former ACIS travelers to see how their tours abroad as young adults influenced their choices in education and paved a way for future careers. Many of them credit travel as a defining moment in their adolescence, and below is a recap of our findings.

education

81%

of those that traveled in middle school or high school continued their studies at the college level compared to the national average of 68%

37%

of travelers, who went on to college said their travel experience influenced their field of study.

57%

of respondents were motivated to study abroad during college.

language skills

67%

of students continued to study foreign language in college.

73%

of ACIS travelers say they speak one foreign language fairly well compared with 18% of the American population.

personal development

94%

felt more independent after their trip.

78%

saw an increase in their problem solving skills.

92%

noted improvement in their interpersonal skills.

65%

have traveled overseas again since their ACIS trip.
